Orford - Sudbourne - Gedgrave Flower Show and Fete

Orford, Sudbourne, Gedgrave flower show committee has been looking into the origins and history of the flower show. Research has found that there is evidence that the flower show has been recorded as far back as the 1500s and the 1870s. Although we don't know much about these earlier times, we do know that around 1919 the show was nearer to the show we know today.

This year 2019 Orford Sudbourne Gedgrave flower show will be celebrating its longevity. We will be displaying some memorabilia from the museum and previous exhibitors at the show. If you have any photos etc. please contact Sue Snowdon at Orford general stores. 01394 450204.

The success of the show relies wholly on volunteers to happen. There is a lot to do which falls on a few shoulders whether setting up on the day before, helping run the show, or clearing up afterwards your help would be appreciated. Even if it is only for an hour find out how you can help by contacting Steven Worrall who organises the field events on 01394 450095 or Alex Smith who manages the marquee 01394 459732.

In the past, exhibitor entry forms have mostly been left at the garage arrangements have been made for the forms to be left at Orford general stores, the newspaper kiosk and the craft shop.

This year, we are reintroducing the children's fancy dress competition. This year's theme is "Blue Planet" – so lots of shrimps, sharks and octopi... Who knows what marine life we may find on the day!

All fancy-dress entrants and anyone who wants to join the parade meet on the village green outside Orford general stores at 1.00pm, 24th August 2019. The parade will leave at 1.15pm to the showground via Front Street.

The Show will still be a plastic clever event: please use the recycle bins provided. As an exhibitor or visitor of the show please take into consideration your use of plastic materials. Further information can be found at: www.beplasticclever.co.uk and www.sayyesmore.com/yestival

THE ORFORD, SUDBOURNE AND GEDGRAVE FLOWER SHOW

The Flower Show is a non-profit making organisation. Any surplus arising from a successful show is retained for reinvestment and to support the security of the Show in the event of future losses. The show also supports local charitable organisations.

The Constitution can be read on the Orford web site: www.orford.org.uk/community/flower-show

HISTORY OF THE FLOWER SHOW

Although the paper records of the Orford and Gedgrave Horticultural Society (which originally organized the show) go back only to the 1920s, the Flower Show like many others probably has its origins in the 19th century. The Lords Hertford of Sudbourne Hall owned a vast agricultural and sporting estate of over 11,000 acres and several villages including Orford. In 1871, Sir Richard Wallace the illegitimate son of the fourth Marquis of Hertford purchased the Sudbourne Hall estate from his half-brother the fifth Marquis. In the 1880s, Sir Richard procured a private Act of Parliament giving him the right to enclose common land in the village of Orford. In return, Sir Richard was obliged to give the village a recreation ground – which to his credit he did. The Flower Show was originally held in the grounds of Sudbourne Hall, but after the hall's demolition and abandonment of the surrounding pleasure gardens the show found a permanent home on the recreation ground.

The great 19th century land owners, such as the Hertfords and Sir Richard Wallace, promoted flower and produce shows to encourage improvement in horticultural practice, and self-sufficiency among the rural poor. The shows were intentionally competitive. Local horticultural societies were formed to manage the Show, following the lead of the Royal Horticultural Society that had been founded in 1804.

There was also a connection with the allotment movement. In the early days of the Show, there was an emphasis on the produce that was grown on the allotments around the village. The interest of the organizers extended to small-scale husbandry. Even up to the early 1960s, there was a separate tent for fur and feather in which local people who qualified for the cottage classes could enter their eggs poultry and rabbits.

The Show was probably abandoned in the First World War, which is why the minutes of the organizing committee start in the 1920s. The same happened in the Second World War. After the War ended, a local resident Winifred Fison revived the Show and ran it until her death in 1982. She was ably assisted by local people and in particular by the late Peter Ashley (who over many years had been a great exhibitor) and Spinney Bantoft. The glory days of the Show were in the 1950s and 1960s. Competition between exhibitors was intense, and there were often over 1000 exhibits in the marquee. As well as Peter Ashley, who can forget John Backhouse who entered so many exhibits he bought them along on a tractor and trailer? Other major competitors included vegetable growers Dick Moss, Bob Cooper from Sudbourne Hall, as well as William Brown and William's sons John and Charlie. Edna Brown often dominated the classes for flowers and flower arrangements, competing in the open classes with Peggy Cole (the star of the film version of Akenfield) who later became a stalwart judge. During this period, several of the major trophies were donated to the show, including the Fison Challenge Cup.

Perhaps the most dramatic day in the history of the show was when there was an invasion by Hell's Angels. In those days (the mid 60's), the marquee was put up on what is now the site of the tennis courts. After the event, it was said (although not necessarily on good authority) that the chapter of Hell's Angels which appeared on the showground had got lost on the way to Clacton. But their arrival was very dramatic. They didn't stop to pay at the gate and rode their motorbikes onto the ground and towards the tent. For a few moments, the situation looked very menacing. Some brave local lads blocked their entry into the tent, and stopped them pilfering the tombola. There was a bit of pushing and shoving, and then the Hell's Angels left as quickly as they had arrived. The police were called, but didn't arrive until about an hour after it was all over. They'd apparently needed to collect reinforcements from around the county.

Over the last 25 years or so, the show has diversified into such areas as painting, photography and the dog races. The first year of the dog races was an impromptu event organized by Maggie Scorer, together with Hugh and Lynn Homan. There is no longer bowling for a pig. But the traditional sideshows have been expanded with for example the human fruit machine (the idea for which was pinched from an early series of the TV show Candid Camera). The organizers have taken a deliberate decision to retain the spirit of a village show and keep out commercial interests. However, despite all the fun on the show ground, the real history of the Show is in the lists of cup winners over the years. Long may that continue.

A FEW TIPS FOR EXHIBITORS

General

Judges do take note of size and number. You will be disqualified if your exhibit is bigger than the size stated in the schedule or if you enter 6 apples when 5 are required.

When 2 or more items are required, they should match if possible, vegetables and fruit must be of the same cultivar or variety. When the heaviest or longest is required, quality is not important, only size.

Vegetables

Leave the tops on carrots and beetroots and the stalks on tomatoes, beans, cucumbers, courgettes, marrows and peppers.

If sand is used to support e.g. shallots, it must be completely dry, or they may start to sprout or rot.

Ideally, runner beans should be straight. Remove some of the rough, dry skin on onions (not too much).

"Dressed" means tops turned over and tied with straw coloured raffia. RHS state: "Shallots - neatly tied"

Fruit

Leave the stalks on raspberries, apples, pears, etc. If "a dish" is specified, of for example raspberries, put out only the best ones; a dozen is sufficient. Do not spoil it with less good examples.

Flowers

In flower arrangements put only good flowers.

When entering cut flowers please note that any buds present will be counted as flowers.

Bought-in blooms and foliage are only allowed in classes 136–141.

Beverages

Wine may be made from any ingredients unless otherwise specified. For wine, 75 cl. clear, uncoloured bottles should be used with white or cork, flange top corks. The label should be white, 2" x 1" (50 x 25mm). It should be positioned between the side seams of the bottle and 1" (25mm) from the bottom. The label should state the main ingredient, whether sweet or dry, and the year.

Cookery and Preserves

If practical, it is better to put exhibits into plastic bags if possible, please use bio-degradable plastic bags rather than cover with cling film.

When size is specified, you will be disqualified if your exhibit is not that size.

Exhibits should not be warm. Fresh cream as a topping, filling or decoration is not permitted.

Plain flour makes better pastry than self-raising.

Neither jars nor lids should bear a trade name, see Rule 6. Additionally, the use of dirty, rusty and used lids will cause an entry to be marked down. When a metal or plastic lid is used check it does not smell of vinegar, which can affect the taste of its contents. Always use metal lids for contents that contain vinegar, perhaps best to buy new lids. For jams cellophane covers are acceptable.

Handicraft

Quilt must have three layers: top, wadding and backing. It may be machine or hand-stitched.

Please bare in mind when entering Class 48 'Any other handicraft', any items of jewellery or small items or anything of any value are entered at your own risk and are not the responsibility of the committee.

Art and Photography

Photographs, including children's, must be unframed and mounted on lightweight card can be of any size with a maximum of A4.

Art must be unframed, as the display boards are unsuitable for heavy items. All classes can be in any medium.

Entries must be submitted for hanging NO LATER THAN 9.00 am.

Please remember to collect your work at the end of the show.

Children's Classes

A separate entry form should be completed for each child. The child's age should be stated on the form. On the day of the Show the child must be under the age specified for the class. Each entry must be the child's own work. Support and encouragement may be given, but no direct help.

Truss

A cluster of flowers or fruit growing from one main stem as in pelargoniums, polyanthus and tomato.
