## ORFORD MUSEUM AUTUMN LECTURE 2016

On Saturday, 1<sup>st</sup> October 2016, Dr. Richard Hoggett will give a lecture entitled A Portrait of the Artist: J.M.W. Turner In East Anglia in the Town Hall at 6.30pm. Dr. Hoggett will be looking at a series of sketches and paintings done of the East Anglian coast by Turner which included several views of Orford as well as Yarmouth, Lowestoft, Aldeburgh, Dunwich and Happisburgh. Dr. Hoggett gave us an excellent talk last October on Botolph, Bede and the East Anglian Conversion and I am sure this one will also appeal greatly to Friends of the Museum though we are always happy to welcome guests who are not Friends. The entrance charge will be £5.00 for Friends of the Museum, £7.00 for non-members and there will be a wine bar with your first glass included in the price. The bar will be open from 6.00pm.

**Elizabeth Spinney - CHAIRMAN, ORFORD MUSEUM**

## STONY DITCH

I am not a parishioner of Orford and Gedgrave, but like many I have spent many happy days up Stony Ditch, so I would like to tell you that I am distressed that the Crown Estate has taken possession of the ditch when the rest of the River Ore is managed by the NOTT. The Crown Estate is no more worthy to own the ditch than the NOTT and I would say less given that the Crown Estate's purpose is to provide income to central government. It would be better that the resource be in the hands of the locals. It would be awful if, having claimed ownership, the Crown was to grant a lease to the National Trust. It is interesting that Mrs Poulter and Mrs Potter say that the peninsula was sold by the Clarkes by private treaty in which case the Crichel Down principle may not apply if the ditch was part of the sale. That principle is that land commandeered compulsorily during the wars has to be offered back to the original owners. Mr Davis, Mr and Mrs Murphy and Mr Oakes say that the ditch was "taken over" during the Cold War so this should be checked properly. Nothing in the article by Mrs Poulter and Mrs Potter, erudite as it is, proves that the Crown has ownership. Would the NOTT publish the advice it has already had?

Yours faithfully

**Sir James Pickthorn Bt.** - THE ELMS, SUDBOURNE

## STONY DITCH

The letter describing the story of Stony Ditch, in the July issue of the Village Voice was most informative and made us realise the importance of the issue. With this in mind we do hope that the Trust will have taken some robust action to assure the return of this asset. We realise that this is not to be handled lightly and it may have to be put in the hands of experts to evaluate our chances to succeed. It would be unforgivable if this generation was the one to lose such an important part of our heritage.

**Danielle Ernst**

## STONY DITCH

I do hope NOTT restore the rightful ownership of Stony Ditch, a part of our local history and for future generations to come.

**Gordon Wall**

## ORFORD WEBSITE

The Orford website went live in July 2012.

It was a cooperative project between Orford Business Association (OBA) and New Orford Town Trust (NOTT) intended to provide a free information and communication facility and indirectly promote local businesses. Set up costs were funded by the OBA with a contribution by the NOTT and other parties. The annual running costs for the hosting and maintenance of the

website have been covered by OBA membership fees and a small donation from NOTT since the system went live.

This year NOTT has decided to withdraw its financial support and OBA has canvassed its members to determine whether they are prepared to cover the full running costs to allow the free community services to continue to be provided. The bulk of OBA membership fees manage and support the Orford community website, and in addition we produce a bi-annual leaflet and map of Orford for distribution by members and local tourist organisations. This leaflet, provides a useful village map and lists the details of each member, what they do and where they are. We also produce the village map which is housed in a cabinet on Figg's Shelter on the quay. In addition, when funds allow, we have supported pro-bono activities in the village such as free admission for children to the film shows in the Town Hall and puppet theatre workshops for the pupils at Orford School. Individual members also support village activities such as donating to the cost of new play equipment, supporting activities at the school, providing prizes for the Flower Show, presents at the annual children's Christmas party and so on. Businesses in Orford also provide employment for a large number of local residents.

I am pleased to say that the members have confirmed that they believe that the website provides a valuable facility for the local community and that they are prepared to pick up the additional cost, possibly with a small increase in their annual membership fees, for the next year or so. As a result the website will continue as at present for the time being and we encourage all residents and businesses to make best use of this facility. Maintaining the web site and covering the funding formerly provided by the NOTT will fully utilise the existing resources of the OBA members and this may result in a reduction in other services currently provided to the community by OBA. For details of OBA membership please use the contact link on the website home page.

**Roger Hipwell** - TREASURER, ORFORD BUSINESS ASSOCIATION  
**ORFORD WEBSITE**

Members of the OBA in Orford, large and small, provide a valuable source of employment for local people and help ensure that local facilities can be maintained for the benefit of all. It is perhaps to be regretted that the NOTT, a wealthy registered charity, does not feel that our community web site is worthy of support even on the relatively modest scale hitherto provided. The writer wonders whether the substantial funds under the control of the trustees are indeed being put to their best use and encourages all residents not only to make full use of their community website but also to take an interest in how the parish council and NOTT trustees spend your money. It would be helpful if a full accounting of the NOTT budget was published annually in the Village Voice for all to see and by implication comment on.

## TAKE A DIP WITH A DIFFERENCE

Are you brave enough to take a dip in the cold North Sea on Christmas morning for your local hospice?

Join hundreds of other supporters as they take a dip in the icy water on Christmas morning to raise vital funds for St Elizabeth Hospice.

Catherine Sheppard, St Elizabeth Hospice's events and challenges fundraiser, said: "The Christmas Day Dip is in its 13th year and it's still such a popular event, with around 400 people lining the beach each Christmas morning ready to take the icy plunge!

"There's always such a great atmosphere at the event, not only with the hundreds of people taking part, but with the thousands who turn out to watch. A lot of people do it in memory of their loved ones who were cared for by the hospice, and all the sponsorship money raised from the event goes towards improving life for local people living with a progressive illness."

You can save £5 if you sign up with the early bird offer before 5pm on 31 October 2016, after this registration will be £10.

Be part of the festive fun and sign up now at [www.stelizabethhospice.org.uk/dip](http://www.stelizabethhospice.org.uk/dip)

St Elizabeth Hospice provides vital care and support to more than 2,000 patients and their families every year.

It costs millions of pounds a year to run the hospice and they rely on fundraising events, donations and the income generated from its shops to meet the majority of these costs.

## **KINGS HEAD NEWS**

Well, September gave us a bit of a mixed bag of weather but it didn't stop us enjoying ourselves.

On the food front September saw us return to our food theme nights with the Taste of Suffolk, showcasing products from Pinney's of Orford, Paravanni's, High House Farm, Dingley Dell, Red Poll and others. It highlighted the fine produce we have on our door step. Another great job done by Suzanne, Zoe and the kitchen team.

We also kicked off our take away service - chance to have great pub food to take away - running from Monday to Thursday in the evening from 6.00pm til 9.00pm. Great for when you just don't fancy cooking.

October sees us continuing with the take away and bringing back our Wednesday night deal. We have gone away from the pies to bring you Curry and a Pint for £12 starting on Wednesday 5<sup>th</sup> October and every week after that. The kitchen will conjuring a great selection of curries to entice you and what is better we include a pint of your choice or a glass of house wine to wash it down with.

The food theme night is Friday 28<sup>th</sup> October and the theme will be Halloween, with fancy dress optional. The kitchen witches will be coming up with some magical brews in their cauldron to tantalise your taste buds. Space for the theme nights are limited so booking early is recommended.

On the sporting front. Many congratulations to Alan Burt (Captain) and the players of Sudbourne Hall Cricket Club who secured promotion in the final game of the season. A season that created some fantastic performances by many of the players. We hope you enjoy your informal celebration meal with us on Saturday 1<sup>st</sup> October.

Real Orford F C have started the football season well and as always would welcome your support up at The Rec. Kick off is on Sunday Mornings at 10.00 and the fixture list is posted in our lobby. Good luck to all the players and management in the second season back.

On the darts front don't forget to contact Matthew Smy or Ian to let us know if you want to play in our team this season. It's a Wednesday night and a very social game of darts.

Now to news of live music. Steve Boyce is back with us on Saturday 8<sup>th</sup> October at 9.00pm. The fantastic sound of classic rock and blues played by a man at the top of his field. Yes it will be loud but it will also be great. If you haven't seen him before then make sure you come along this time. Entry is free and everyone is welcome.

On the brain power front thanks to Ed's Lot for the interesting quiz they set in September and congratulations to Five Star who won the quiz, following a mental block by Potkins Planks on the running rounds. They will be presenting the next quiz and taxing your knowledge on Sunday 23<sup>rd</sup> October at 8.00pm.

Some of you will have seen planning notices attached to our window. This is some minor alterations to the kitchen layout and associated works, including ventilation. This has been passed by the conservation and planning officers. The work was scheduled to be throughout the month of November, but Environmental Health are asking for further measures which means that these works will be delayed until the New Year. Very frustrating, from our's and Adnams points of view, as they are committed to putting a major investment into the kitchen upgrade. Imagine how Zoe feels being told she can't have her new toys until after Christmas, fortunately Suzanne was the one to give her the news. We will keep you updated on this but are hoping it will be in January/February 2017.

Having already planned and committed to doing some decorating and flooring works in the bar during the original planned closure this will still go ahead. This does mean that we will be closed from after the evening session on Sunday 30<sup>th</sup> October until we re-open for lunch on Friday 11<sup>th</sup> November. Obviously, the take away service and the curry night will not operate during this period. We sincerely apologise to everybody for the inconvenience that this will cause.

Good news is that when we re-open we will have back Soul Serenity on Saturday 12<sup>th</sup> November at 9.00pm. So you can all come along and see what we have done and party the night away.

## **MUSIC IN COUNTRY CHURCHES (MICC)**

Anyone who was in St Bartholomew's Church on 2<sup>nd</sup> and 3<sup>rd</sup> September will have said that the church looked beautiful, busy, and the three performances were electric. None of this would have happened without the wonderful Committee that I had. On Wednesday afternoon Guy Marshall and Mike Finney moved the chairs to accommodate 404. Then on Thursday came the numbering of all the seats, which Aldeburgh Music produced for us. The Committee consisted of: Peter and Annie Beaumont, Diana Paterson, Lizzie Fargher, Ana Sarginson, Marian Collins, and Nigel Maslin. Annie took the lead role in finding stewards, doing a rota, and assigning of where they would usher from. Ana Sarginson had the lead role for programme selling. Close to 1,000 people were at the three concerts. Then the Committee helped get the church back together on Sunday.

Without their help, it would not have looked as efficiently run, warm, helpful, and professional. Thank you so much.

**Jacki Maslin**

## **2016 ROYAL BRITISH LEGION POPPY APPEAL**

The Poppy Appeal will shortly be upon us with house-to-house collections starting on Saturday 29<sup>th</sup> October. Mike Finney has kindly agreed to take over as Poppy Appeal Organiser. As I hand over I would like to thank all Poppy Sellers and others most sincerely for all their support. It has been wonderful to have had so much help.

Remembrance Sunday is on 13<sup>th</sup> November with a service in St Bartholomew's Church, Orford. In addition there will be a brief ceremony with Two Minutes Silence at the Orford War Memorial at 11.00am on Friday 11<sup>th</sup> November.

**Peter Hamilton-Jones**

## **ORFORD TENNIS AUGUST 2016**

This year the weather was beautiful, sunny and dry for both the tournaments.

The Ladies Doubles took place on Tuesday 9<sup>th</sup> August with a smaller group than usual, but still we all enthusiastically played and the winners were Gill Turner and Diana Paterson.

The mixed doubles on the following afternoon, 10<sup>th</sup> August, was as competitive as usual with 16 players. Lots of fun was had by all lubricated with some Pimms. The winners for the past three years, Nick and Jeanette Pearce, split up and played with their guests from Scotland, but this didn't stop Jeanette winning again with Craig Forster, though Ben Johnston and Lizzie Carr gave them a good run for their money in the final!

Thanks to everyone who came and played, we always have a lot of fun.

**Diana Paterson**

(This should have gone in the September Village Voice but overzealous editing meant it was omitted - Editor)

A special alphabetical thanks to the collectors and helpers on the day: Anna Toppin, Christine Bromley-Martin, Christine Murdoch, Daphne Gardner, Hilary Grogono, Imogen Barford, Mary Goldin, Melissa Billen, the Raison family, Patti Standen, Rio Mellor, Sue Johnston, Sue Snowdon, Susanne Hasting, Tony Hasting, plus Friend's Garage and The Orford General Store and to all residents who contributed such a huge number of prizes.

# Call for sites

If you own or know about a site which could be suitable for new development over the next 20 years, please let us know

Work is underway on a review of the Suffolk Coastal Local Plan. The new Local Plan will guide development in the District over the next 15 to 20 years.

We are looking for sites that have potential for new development. This includes new housing (5+ dwellings), employment and industrial, retail, community facilities, open space and more.

Sites received will be included in the first consultation on the new Local Plan in early 2017.

[www.eastsuffolk.gov.uk/suffolkcoastallocalplanreview](http://www.eastsuffolk.gov.uk/suffolkcoastallocalplanreview)

If you have previously submitted sites to the Council for consideration, please resubmit these sites along with any new land you wish to promote.

Please let us know about your site by 28th October 2016 by completing the form at [www.eastsuffolk.gov.uk/suffolkcoastallocalplanreview](http://www.eastsuffolk.gov.uk/suffolkcoastallocalplanreview) or alternatively contact us by using one of the methods below.

Email: [suffolkcoastallocalplan@eastsuffolk.gov.uk](mailto:suffolkcoastallocalplan@eastsuffolk.gov.uk)

Telephone: (01394) 444550 / 444363

Post: Suffolk Coastal District Council, Planning Policy and Delivery Team, Melton Hill, Woodbridge, Suffolk IP12 1AU

The size criteria is that a site should be able to accommodate 5+ dwellings - be this one bedroom flats or mansions. The actual site size will depend on what density is appropriate for each individual site. We would not consider a single dwelling in someone's back garden. Sites of 1 - 4 dwellings would be considered as windfall and dealt with as planning applications.

Please call 01394 444550 if you have any other queries.
